SUPERVISOR COMMENTS

The beginning of the shift was slow. There were three calls to note. The first one was of a domestic violence adult victim. As the victim was talking with a male outside her apartment her ex-boyfriend showed up. The victim's ex-boyfriend accused the victim of her having some of his personal property. The victim denied it and the ex-boyfriend pushed the victim two times up against the exterior wall. The victim's cell phone was stolen by force, and was

hit with a metal object on her head causing a small bump. The victim also had a bruise on her jaw line. The ex-boyfriend left the area prior to police's arrival. An information and belief was filled out for the ex-boyfriend's arrest. The second call was of a strong arm robbery at a local market in the 1500 block of East Ave. The unknown suspect was dressed in all black. He also wore a black ski mask and black gloves. As the call was being dispatched an officer was in the area. An adult male wearing a black beanie was driving out of the parking lot. A high risk stop was done on the driver and he was only person in the vehicle. After a further investigation was done, it was determined the male was not involved and he was released. The suspect entered the market and jumped over the counter and stole an unknown amount of money from the cash register. The suspect then left the area in an unknown direction. The incident was captured on video. The third was on an ongoing investigation involving a juvenile using a stun gun on a victim. The juvenile was I.D.'d from a video surveillance by an officer. The juvenile was contacted at his residence and admitted to using the stun gun on the victim. The juvenile was arrested and booked at juvenile hall. A victim also reported that he left his wallet at the Taco Bell on Geer road and someone had already used his ATM card at two separate locations. In the 2200 block of Roth Ct we received a call of a man knocking on a door requesting an ambulance. Officers arrived and found the responsible who was heavily intoxicated and taken to jail. Extra patrols were conducted at Central Park, Broadway Park, Acme Ct., Pedretti Park, Donnelly Park, Denair Park, Gar Park, Quail Rand Norton Park, Walmart (Geer), Markley Park, Dale Pinkney Park, Christoffersen Park and Curt Andre Park. One subject was contacted in Donnelly Park after hours and was given a ticket on the municipal code violation. One subject was also contacted in the 100 block of S. Orange near a church for camping.
