1 Driving While Intoxicated	2 Auto Burglary	1 Theft
2 Warrant Arrest	1 Traffic Accident	1 Vandalism
2 Identity Theft	1 Juvenile Runaway	

SUPERVISOR COMMENTS

In the early morning hours Officers responded to the report of a traffic collision. One of the involved parties attempted to drive away from the scene. Officers quickly arrived on scene and determined one of the drivers was intoxicated. The subject was later arrested for driving under the influence. Calls for service were steady throughout the day. Only a few calls awaited an officer's response at times. At the time of our Swing shift officers beginning their shift, only three calls waited for an officer to respond.

SUPERVISOR COMMENTS

Swings was busy our entire shift. We had around seven calls pending for the majority of the time. We also ended up taking a total of eight reports. Today we responded to a call of a subject who was found deceased in his bedroom by family members. The incident appears

to possibly be a suicide but the specifics resulting in the subject's death are still under investigation at this time. We also responded to the report of an at risk missing person. We received a call from family stating that their sister has been missing for the past two and half days and they are concerned for her safety. Patrol spent several hours investigating her whereabouts and as of the typing of this log she has not been found. Even though our shift did not take a lot of reports, at least two of our calls tied up some of our officers for several hours. Detectives were also called out and assisted us with the above two investigations. Overall, great teamwork by swings today!

CATEGORIES

2 Warrant Arrests

1 Found Property

1 Auto Theft

SUPERVISOR COMMENTS

Night shift was a bit slower than it has been compared to the past couple of days. Our shift took four report calls but handled 57 Extra / Proactive Patrols. We had a couple of warrant arrests, an auto theft, and a found property call. The found property call was the most interesting call of the shift. We received a call of a subject checking vehicle door handles in the two beat. The subject was reported to be wearing a red hooded sweatshirt. We respond and do not locate anyone at that time. A short time later we locate a subject who we have had a lot of history with being associated with this type of call. He is on W. F St. near S. First St. and he happens to be wearing a red hooded sweatshirt. He is on probation for theft and narcotics and is searchable. We conduct a search of his person and he is in possession of a California ID card and other property belonging to a Hispanic female who has an address in Modesto. The subject said he just happen to find the ID card. We attempt to locate a telephone number for the owner by checking with Modesto PD and they provide us with a current number. Unfortunately there is no answer so we left a message asking for a return call. He was arrested for misappropriation of property and the items were taken as evidence. He was released on a citation. Follow up is planned during business hours to confirm how he managed to come into possession of the property.
