Acceptable **primary** forms of identification include any of the following:

In the absence of a primary form of identification, a certified fingerprint technician may accept one or more of the following as **secondary** forms of identification, **but only with two of the supplemental documents noted below:**

- State government issued Certificate of Birth
- US Active Duty/Retiree/Reservist Military Identification Card (000 10-2)
- US Passport
- Federal government Personal Identity Verification Card (PIV)
- Department of Defense Common Access Card
- US Tribal of Bureau of Indian Affairs Identification Card
- Social Security Card
- Court Order for Name Change/Gender Change/Adoption/Divorce
- Marriage Certificate (Government issued certificate)
- US Government issued Consular Report of Birth Abroad
- Foreign Passport with appropriate immigration document(s)
- Certificate of Citizenship (N560)
- Certificate of Naturalization (N550)
- INS I-551 Resident Alien Card issued since 1997
- INS I-688 Temporary Resident Identification Card
- INS I-688B, I-766 Employment Authorization Card

*Please note: When validating the authenticity of secondary identification documents and forms, the data and information need to be supported by at least **two** of the following **supplemental documents**:*

- Utility Bill (address)
- Jurisdictional Voter Registration Card
- Vehicle Registration Card/Title
- Paycheck stub with name/address
- Spouse/Parent Affidavit
- Cancelled Check or Bank Statement

When supplemental documentation does not support the validation of the original identification documents, the fingerprint technician will not accept the form of identification as valid and not fingerprint the applicant.
