Addendum No.: 1
Date: March 22, 2022
Project: RFQ for CM and Inspection Services for Roads Program
City Project No. 22-001 "Rehabilitation of 15 Streets"

Interested Consultants:

The purpose of this Addendum is to provide responses to the questions which were received by the Deadline for Inquiries as specified in the RFQ. The following questions were received:

Q1: Does the City anticipate issuing individual construction contracts for each street section (project)?

A1: Two (2) construction contracts are currently anticipated; one contract for Wayside Drive and Fosberg Road, and one for the remaining thirteen (13) street sections. Please, prepare the estimated fee for "Pre-Construction Services" accordingly.

Q2: Is there a DBE requirement?

A2: No.
