Ms. Patricia Poppe
Chief Executive Officer
Pacific Gas and Electric Company
77 Beale Street
San Francisco, CA 94105

Dear Ms. Poppe:

I am writing regarding PG&E's ongoing construction project on Geer Road in Turlock. Despite multiple requests and discussions with your staff, the construction schedule has not been adjusted from the current Monday through Friday, 9 a.m. to 5 p.m. daytime hours.

Geer Road is one of Turlock's busiest thoroughfares. The current daytime construction schedule is causing significant disruption for residents, businesses, and commuters. A night schedule would reduce these impacts while allowing PG&E to complete the necessary work in a more efficient and less disruptive manner.

Additionally, I have asked that PG&E post signage at the project sites clearly indicating that this is a PG&E project, not a City of Turlock project. It is important that the community understand which agency handles this work and the associated impacts.

I strongly urge PG&E to revise the Geer Road construction schedule to evening hours and ensure that proper project signage is installed without delay. I am available to discuss this matter with you personally at your earliest convenience, as the disruption is ongoing and immediate action is needed.

Thank you for your prompt attention to this issue.

Respectfully,

Amy Bublak
Mayor
City of Turlock
